The General Education Council met on Friday, March 27, 2015 at 3:00 pm in Room 244 of Anne Belk Hall. A quorum was not reached; therefore, no formal business was conducted. Agenda items requiring a vote will be moved to the April 24, 2015 agenda.

Discussion was held on the proposed policy for students moving catalog year to 2015-2016 or later. Since a decision is needed quickly in order to enable students to make their decision and register for fall classes, it was decided that an online vote will be conducted in the coming week. Michael Krenn will post this as a forum item on the Council AsULearn site and give a synopsis of the discussion points from today’s meeting. Members will be asked to cast a vote via email.

Meeting was adjourned at 4:15 pm.
