

August 18, 2010

Goals for the General Education Program administration for the 2010-11 academic year:

1. Refine curriculum to address implementation concerns, theme imbalances, enrollment demands, faculty support and development.
2. Identify concerns regarding General Education transfer student credit and explore options.
3. Provide leadership, structure, and support for faculty involved in the assessment of the General Education Program.
4. Review faculty governance structure of General Education.
5. Support the work of the First Year Seminar Faculty Mentors.
6. Support the leadership efforts of the Theme Coordinators in curriculum development.
